

GC BASKETBALL
TOGETHER WE GROW

A SAFE AND RESPECTFUL CLUB FOR EVERYONE

RESPECT

We value and include everyone, no matter their age, gender, background or level.

SAFETY

We look out for each other and say no to bullying, harassment, violence or discrimination.

FAIRNESS

We play fair, follow the rules and respect opponents and referees.

RESPONSIBILITY

We all help to create a positive team culture – on the court, in the locker room and online.

WHAT THIS MEANS FOR YOU

RESPECT YOUR TEAMMATES

Support each other. No bullying, no exclusion, no humiliating or hurtful comments.

BE RESPECTFUL IN THE LOCKER ROOM

The locker room is a safe space for everyone. No inappropriate behaviour, photos or videos.

THINK BEFORE YOU POST OR CHAT

Be respectful in team chats, on social media and in all online communication. Don't share or say anything that could hurt someone.

RESPECT OPPONENTS

Compete hard, but always show respect – before, during and after the game.

RESPECT REFEREES

Referees are part of the game. No insults, aggressive behaviour – even when you disagree.

NO DOPING OR DRUGS

Sport and drugs don't belong together. We choose a healthy and fair game.

SPEAK UP

If something makes you uncomfortable or you see or hear anything that is not OK based on the principles above – talk to someone:

1. Talk to your coach

Your coach will take you seriously and support you if needed.

2. Or contact the Safeguarding Manager directly
